NCMUK was founded over 7 years ago and is based near Sheffield. Due to continued growth we are seeking a Case Managers to work from home to cover the UK. The role will report directly to the Managing Director.

#### **Role and responsibilities**

- Undertaking Initial Needs Assessments and recommending and costing holistic rehabilitation plans.
- Proactive ongoing case management to implement agreed rehabilitation plans.
- Ensuring that Case Management and therapeutic input is regularly measured against client centred realistic goals.
- Overseeing recruitment of support workers and appointment of therapists.
- Undertaking regular risk assessments and ensuring that mitigating actions are in place.
- Undertaking a monthly home visit.

#### **Skills and Knowledge**

- Exceptional interpersonal and communications skills both verbal and written.
- Excellent organisational and time management skills.
- Proactive and client centred.
- Flexible, adaptable and resilient.
- Motivational and innovative.
- Team Player.

#### **Qualifications and experience**

- Minimum 5 years post qualification clinical experience working with adults and/or children.
- Minimum 3 years Case Management experience supporting clients with catastrophic injuries.
- HCPC/ NMC or equivalent registration.
- Familiarity with dealing directly with Solicitors and Insurers.
- Full UK driving licence/own car – Mileage paid
