We are currently recruiting for Female Healthcare Support Workers for a child with complex needs in the locality of Hurworth near Darlington. Working as a key member of a team who provide 24-hour care, for a delightful young boy with complex physical needs, you will contribute to creating a suitable, safe and supportive environment for both the child and his family. You will be fastidious in keeping the home environment clean and tidy.

Our client lives at home in a strong family unit and a busy family home. The young man attends a local day special school. You will work in a friendly and welcoming family home environment to provide care. Being available to work regularly during weekends and school holiday periods is essential and flexibility to adapt your working times to fit in with family activities is required. A fun, confident and experienced carer you will support the young man with therapy needs and facilitate fun play experiences with him and encourage him to interact with his siblings in addition to undertaking personal care and general care needs as well as monitoring his health. You will demonstrate confidence in using mobile hoists and demonstrate initiative when working with a child who has medical needs.

You will be expected to be an exemplary role model, display meticulous record keeping abilities and have a full understanding of care plans. You will have proven experience of utilising best practise care procedures and empathetic work with children.

Holding a current DBS and current care training certificates is essential. Due to the vulnerable nature of our client, we do require all staff to be COVID vaccinated.
