

Female Healthcare Support Worker –Sheffield
20 hours per week @ £11.00 per hour

Essential: Experienced in a care role, available for a full time position with mixed shifts. Confidence in undertaking routine care procedures with proven care experience working with a child in their family home.

We are currently recruiting for a Female Healthcare Support Worker for an 8 year old child with complex needs including cerebral palsy in the locality of Sheffield. Working as a key member of a team who provide 24-hour care, for a delightful young boy with physical needs, you will contribute to creating a suitable, safe and supportive environment for both the child and his family. You will be fastidious in keeping the home environment clean and tidy.

Our client lives at home in a family unit and attends a local day special school. You will work in a friendly and welcoming family home environment to provide care on a full time basis. Being available to work flexibly to adapt your working times to fit in with family activities is required. A fun, confident and experienced carer you will support the young man with therapy needs and facilitate fun play experiences with him and encourage him to interact with his sibling in addition to undertaking personal care and general care needs and monitoring his health.

You will be expected to be an exemplary role model, display meticulous record keeping abilities and have a full understanding of care plans. You will have proven experience of utilising best practise care procedures and empathetic work with children.

Holding a current DBS and current care training certificates is essential.
