

Female Healthcare Support Worker – Leeds
£12.00 per hour

Essential: Experienced in a care role, available for a full time position of 36 hours per week and a part time position of 27 hours per week with mixed shifts. Confidence in undertaking routine care procedures with proven care experience working with an adult in their family home. Hold a clean driver's licence as you will need to drive the client's motability vehicle including a current DBS.

We are currently recruiting for Female Healthcare Support Workers for a 59 year old female with a high level of complex care needs in the locality of Leeds.

As a Support Worker your main responsibilities will include:

- Working as a key member of a team who provide 24-hour care, for a delightful lady with physical needs, you will contribute to creating a suitable, safe and supportive environment for both the client and her family.
- You will be fastidious in keeping the home environment clean and tidy.
- Our client lives at home and you will work in a friendly and welcoming family home environment to provide care.
- Being available to work regularly, including during weekends and for 9 hour day shifts is essential and flexibility to adapt your working times to fit in with client activities is required.
- A fun, confident and experienced carer you will support our client with therapy needs and facilitate engaging and stimulating experiences with her, in addition to undertaking personal care, observation with eating and drinking, medication, general care needs as well as monitoring her health.
- You will be expected to be an exemplary role model, display meticulous record keeping abilities and have a full understanding of care plans.
- You will have proven experience of utilising best practise care procedures and empathetic work with people with disabilities.

In return, our client is offering:

- Above average rate per hour
- Training in line with care certificate requirements
- Enrolled onto the auto enrolment pension scheme
- The option of working additional hours
